OUR PEOPLE:Figure8 is run by IT professionals. We are passionate about what and how we deliver. Our business is our reputation. We employ people who we trust. We distinguish ourselves through success.**OUR BACKGROUND:**Figure8 was created to fill a niche in the New Zealand IT marketplace. Consolidation within the industry has resulted in the polarisation of service providers. Providers are either large and focused on enterprise clients, or small and focused on the small and medium sized market. In contrast, Figure8 is a small independent consultancy that focuses solely on the enterprise market.**OUR OBJECTIVES:**Figure8 understands IT infrastructure, and will;• Add transparency to vendor relationship• Re-negotiate contracts for cost-reduction• Provide technical excellence to shake-up existing teams and vendors• Provide independent architecture and project management to bring together the components of successful project delivery• Bring our passion for IT into your infrastructure
